

PRICE ELECTRIC MOBILE APP PRIVACY POLICY

PRIVACY POLICY MODEL FOR MOBILE APPLICATIONS

This privacy policy governs your use of the software application _____ (“Application”) for mobile devices that was created by _____. The Application is _____.

What information does the Application obtain and how is it used?

User Provided Information

The Application obtains the information you provide when you enter it. Registration is mandatory and login information will be provided by the app developer. Login information will only be provided to Price employees and without login information the app cannot be used.

When you register you provide your name, email, and a password.

Automatically Collected Information

No automatically collected information is shared with or ever accessed by anyone, including the developers, company executives, or fellow employees.

Does the Application collect precise real time location information of the device?

This Application does not collect precise information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

No information collected from the application will be shared with a third party.

What are my opt-out rights?

You can stop all collection of information by the Application easily by uninstalling the Application.

Data Retention Policy, Managing Your Information

If it is necessary for a user's access to the app to be revoked, their authentication account will be deleted and no information will be retained.

Children

We do not issue login information to children.

Security

We are concerned about safeguarding the confidentiality of your information. In fact, not even we access it.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy _____ and _____. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the _____. If you reside outside the _____ your information will be transferred, processed and stored there under _____ privacy standards.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at _____.
